EXPLORE RIDING
MOUNTAIN NATIONAL PARK
IN SEARCH OF BLACK BEAR,
MOOSE, BISON AND MORE.

Experience the spectacular wildlife of Manitoba with an adventure from the expansive forests and grasslands of Riding Mountain National Park, to the colourful tundra of Churchill. Our one-of-a-kind Big Five Safari is a salute to the incredible array of megafauna that populate the forests, prairies, tundra and waters of this beautiful province.

Your journey begins in Winnipeg, the geographic centre of North America. Travel overland to Riding Mountain National Park where the boreal forest, meadows and lakes, lofty heights and deep gorges of the Manitoba Escarpment are home to moose, black bears, a captive bison herd and more. Enjoy daily wildlife drives to photograph the amazing wildlife and landscapes of the area.

Next, fly north to Churchill, where the boreal forest gives way to the rugged tundra and northern waterways. Set out by boat and Zodiac amongst inquisitive beluga whales and explore the Churchill Wildlife Management Area in search of the majestic polar bear.
