

TUNDRA BUGGY® SUMMER DAY TOURS

A Summer Tundra Buggy Day Tour is one of the best and safest ways to experience the magnificent ecosystems surrounding Churchill. Scan the landscape for arctic fox, arctic hare, caribou and polar bears returned from the sea ice. Churchill is also an incredible destination for bird lovers with over 200 species in the area.

With exclusive access to the trail network in the Churchill Wildlife Management Area, explore the tundra while your Tundra Buggy Driver provides interpretation about the colourful flora, amazing fauna and incredible history of this unique subarctic environment.

Please arrive 30 minutes prior to your scheduled tour time for check-in at Fifty Eight North - Home of the Tundra Buggy, located at 124 Kelsey Boulevard. You will be transferred to the Tundra Buggy Dock, where you will board a Tundra Buggy for a six-hour excursion. A light meal and refreshments will be provided.
